COMPANY PROFILE

Copperfit Industries Inc.

Copperfit Industries Inc. is a family-owned manufacturing and distribution business in the plumbing industry, established in 1999. Over the years, Copperfit has grown from a small enterprise focusing solely on copper fittings to a leading distributor with a robust presence and extensive product range. Our journey from humble beginnings to our current stature is a testament to our commitment to quality, price sensitivity, and customer service.

Early Beginnings

Copperfit Industries Inc. was founded with a singular vision: to provide high-quality copper fittings for plumbing wholesalers. By starting small and focused, our dedication to quality and customer satisfaction quickly earned us our reputation in the industry.

Expansion and Growth

As demand for Copperfit's products grew, so did the company. Copperfit embarked on a journey of expansion. We expanded our manufacturing facilities in Asia and North America, significantly increasing our production capabilities. Today, Copperfit boasts over 300,000 square feet of combined production and warehouse space, enabling us to meet the growing needs of our customers efficiently.

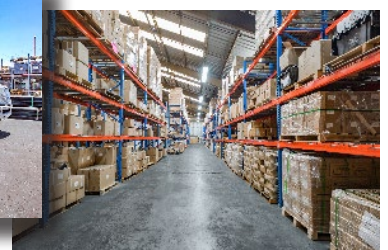

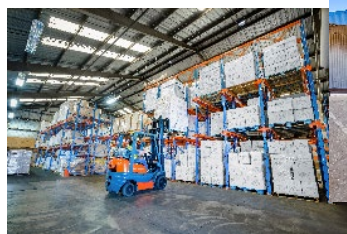

Moreover, Copperfit diversified its product range, expanding from just one product line to many different categories. This diversification allowed us to offer thousands of products to our wholesalers, ensuring that they have access to an ever-increasing range of solutions at very competitive prices.

Customer Commitment

For the past 25 years, Copperfit's goal has remained steadfast: We operate an efficient organization and deliver quality products at competitive prices to our customers. The company's success is built on our dedication to customer satisfaction, market sensitive pricing, and we continually strive to exceed expectations. Copperfit's customer-centric approach is evident in every aspect of our business, from product development to distribution.

Copperfit Industries, Inc and CFI Plumbing Products, Inc. "Quality Products Meet Price"

MEET ALL YOUR NEEDS

3 Different Versions

1/4 Turn 5/8" x 3/8" Comp. Stops

4A5838C Contractor Pack

- Most Economic but Durable
- No need to pay for the Brass Nut & Ferrule you don't need
- Easy Open Plastic Bag, less trash on job site
- Brass Ball and Stem, Metal Handle

4A5838 Retail Pack

- Pegboard hooks ready Window Box
- Comes with Brass Nut & Ferrule for all your repair projects
- Brass Ball and Stem, Metal Handle

4A5838H Heavy Pattern

- Bar Stock Style comparable to Brass Craft CR19
- Pegboard hooks ready Window Box
- Comes with Brass Nut & Ferrule
- Brass Ball and Stem, Metal Handle

TANKLESS WATER HEATER ISOLATION VALVES

5451LF
(3/4" FIP X 3/4" Solder)

- Double Handle Operation
- Full Port 600WOG
- Unions in valve design for ease of installation
- Plastic tether on cap to the body
- Watertight cap – No leakage
- Easy maintenance
- Three-year warranty
- Includes 3/4" 150 PSI 200,000 BTU/hr pressure relief valve
- Available in FIP x FIP, FIP x Solder, FIP x Press, and FIP x Pex-A connections

5452LF
(3/4" FIP X 3/4" FIP)

5453LF
(3/4" FIP X 3/4" Press Copper)

5454LF
(3/4" FIP X 3/4" Expansion Pex)

5459
(3/4" 150PSI 200K PRV)
